Sub. : Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Commissioning of 300 TPD Flexi-fuel Flaker Plant at Jhagadia, Bharuch

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2023/123 dated July 13, 2023, we hereby inform that the Company has commissioned its “Flexi-fuel Flaker plant” of 300 TPD capacity at its flagship Chemical complex at Jhagadia, Bharuch District, Gujarat today i.e. 17th of October 2024 at 9:00 am. A 2nd flaker unit of identical make & capacity is also in the final stages of completion and is expected to be commissioned next quarter. Being flexi-fuel, the state-of-the-art plant allows for multiple fuel choices, thereby providing for much higher sustainability & efficiency considerations at all times. This additional flaker capacity will allow the Company’s Chemicals business to reach distant markets, especially through exports.

You are requested to kindly take the above information on records. The said update is also being uploaded on the Company’s website at www.dcmshriram.com.

Thanking you,

Yours faithfully,

For DCM Shriram Ltd.

(Swati Patil Lahiri)
Acting Company Secretary & Compliance Officer
