DCM Shriram posts ₹51-cr net profit in Q4

DCM Shriram has swung into black with a net profit of ₹51 crore in the March quarter, helped by lower cost of production across business segments. The company had reported a net loss of ₹40 crore in the fourth quarter of the 2014-15 fiscal. The company's net revenue increased to ₹1,333 crore during the January-March quarter, from ₹1,309 crore in the same period of 2014-15.
